

Figure 36. East Highline Canal conductivity cross-section (part 1 of 12)

East Highline Canal (Section A)

East Highline Canal (Section A)

East Highline Canal (Section A)

<12% Fines

Lateral Scale (ft)
5x Vertical Exaggeration
Depth referenced to canal water surface

Figure 37. East Highline Canal conductivity cross-section (part 2 of 12)

East Highline Canal (Section B)

East Highline Canal (Section B)

East Highline Canal (Section B)

<12% Fines

Lateral Scale (ft)
5x Vertical Exaggeration
Depth referenced to canal water surface

Figure 38. East Highline Canal conductivity cross-section (part 3 of 12)
