**JOINDER BY SAN LUIS & DELTA-  
MENDOTA WATER AUTHORITY AND  
WESTLANDS WATER DISTRICT IN  
JOINT MOTION TO EXTEND  
REMAND SCHEDULE**

Judge: Honorable Lawrence J. O’Neill

Plaintiffs San Luis & Delta-Mendota Water Authority and Westlands Water

District renew their joinder in the motion by the Federal Defendants and the California

Department of Water Resources for a three-year extension of the current remand schedule. This

1 support is based upon the same understandings of the Federal and State Proposal<sup>1</sup> expressed by  
2 these parties in their joinder filed on January 3, 2013. (Doc.716.) In particular, that the  
3 collaborative science and adaptive management process allows for modification and refinement  
4 of the RPA actions during the remand period consistent with appropriate administrative or  
5 judicial mechanisms, and that any party may seek injunctive relief during the remand period.

27 Proposal for Modification to the Remand Schedule and an Alternative Process for Development  
28 of Operational Strategies and a Collaborative Science and Adaptive Management Program."  
(Doc. 713-1) On March 15, 2013, Federal Defendants and DWR filed a Supplement to further  
explain the Federal and State Proposal, in response to the Court's January 30, 2013 order. (Doc.  
728.)
