

Preliminary Concept for Recreation Services – Monticello Shores Recreation Area Public Open House Scoping Session – January 16, 2014

Reclamation is in the initial stages of developing a draft conceptual plan for new recreation services at Lake Berryessa concession areas. The current concept is for Monticello Shores to be a camping and day use center, featuring hike-in and boat-in campsites as well as RV sites. Monticello Shores would provide day use amenities, campsites, and other facilities that are listed below:

- Day Use
 - Individual and group sites
 - Trail connection to Shoreline Trail system

- Overnight Use
 - Boat-in floating campsites
 - Hike-in tent sites
 - Hike-in group sites
 - RV sites

- Boating Facilities
 - Launch ramp
 - Courtesy docks
 - Fish cleaning station

- Infrastructure facilities
 - Comfort stations (flush restrooms and vault toilets)
 - RV dump station
 - Camp Host site
