

## **Preliminary Concept for Recreation Services – Steele Canyon Recreation Area Public Open House Scoping Session – January 16, 2014**

Reclamation is in the initial stages of developing a draft conceptual plan for new recreation services at Lake Berryessa concession areas. The current concept is for Steele Canyon to be one of four concession areas planned to have a full-service marina. Steele Canyon would also provide day use amenities, campsites, overnight lodging and other facilities that are listed below:

- Day Use
  - Individual and group sites
  - Playground area
  - Swim area
  - Multi-purpose event center
  - Trail connection to Shoreline Trail system
- Overnight Use
  - Park models
  - RV sites
  - Tent sites
  - Group camping sites
- Marina Facilities
  - Boat slips for private/commercial
  - Marine fuel
  - Launch ramp, courtesy docks, and fish cleaning station
  - Boat rentals
  - Houseboat slips
  - Dry boat storage
  - Boat repair
- Retail
  - Land-based retail store
- Food and Beverage
  - Restaurant
- Infrastructure facilities
  - Maintenance shop and yard
  - Employee housing
  - Comfort stations (flush restrooms, showers, vault toilets)
  - RV dump station
  - Laundry facilities
