BUREAU OF RECLAMATION – LAKE BERRYESSA
PROJECT REQUEST AND APPROVAL FORM

This application form is to be used by concessionaires, permittees, and other applicants for any project that causes surface or shoreline disturbance to soils and vegetation, hardens a site, changes use and appearance, or requires construction or modification activities on Federal lands and waters.

Compliance No. __________________

A. PROJECT PROPOSAL  (To be completed by concessionaire, permittee, or other applicant):

Resort or Project Location: ___________________________________________ Site No.________________

Type of Project: _______________________________ Proposed by: (Circle one) Concessioner, Permittee, Other

Project Dimensions: ____________________________________________Sq. Ft._________________________

Attachments:

Conceptual Drawing:  [  ] Yes   [  ] No    Site Map:    [  ] Yes   [  ] No
Lot Line Map  [  ] Yes   [  ] No    Photographs:   [  ] Yes   [  ] No

Complete Project Proposal:

Is this proposal only for maintenance or repair of the mobile home?    [  ] Yes   [  ] No
Is a lot line map with setbacks attached?     [  ] Yes   [  ] No
Is the project area flagged or staked?      [  ] Yes   [  ] No
Is this proposed project in an area that has been previously disturbed?   [  ] Yes   [  ] No

Description: Please describe the work to be completed and why it is necessary: Provide a brief description of the project: type, dimensions of area to be disturbed, equipment to be used, materials, etc. Please provide justification for proposed work and sufficient information for the proposal, i.e., maps, photos and drawings, etc.

Project Requestor: I understand that the privilege of using this site/area (where I am proposing this project) will end on the date of expiration or termination of the agreement between the Resort and the United States (or sooner should the Resort decide to restructure facilities and services) and, at that time, I must remove all personal property and improvements from Federal land at my expense. If not removed as stipulated by Reclamation, I realize the property will become abandoned property and will be handled in accordance with those applicable federal regulations and standards. I agree to disclose these facts to any prospective buyers.

Permittee/Owner (s):  (1)_________________________     ___________________________     ____________
(2)_________________________     ___________________________     ____________
Print Name                   Signature                             Date

Concessioner: I, the resort owner/manager, acknowledge responsibility for all projects and improvements within my concession area and, upon expiration of the concession agreement with the United States, I must ensure removal of all personal property and improvements placed on Federal land unless otherwise agreed upon. If not removed as stipulated by Reclamation, I realize the property will become abandoned property and will be handled in accordance with those applicable federal regulations and standards. By signing this approval form, the Concessioner does not waive any rights that may be granted in Section 5 (a) and (b) of Public Law 96-375, dated October 3, 1980.

Concessioner Approval:___________________________ ______________________   ____________
Signature of Resort Owner or Manager                             Title                             Date
