

Exhibit B

AREA OF OPERATION AND ASSIGNED LAND

A. LEGAL DESCRIPTION OF AREA OF OPERATION

The Federal estate is authorized for use by the Concession Contractor for the purposes of this concessions contract. The following legal description of the concession area assigned to XXX identifies the only areas within Lake Berryessa where it is authorized to conduct business. XXX is not permitted to conduct any aspects of its business, except the provision of authorized tours, transportation, or other activities specifically authorized in writing by Reclamation, in any area not within the boundaries of the following described lands.

Insert legal description

B. MAPS OF ASSIGNED LAND

The lands legally described in the preceding section A and assigned for the use of the Concession Contractor is further indicated on the following map(s). The boundaries displayed on the following pages are approximate boundaries based upon the preceding legal description.
