## Reclamation, California Department of Fish and Wildlife celebrate completion of new Nimbus Hatchery Fish Passage Project and return of fall-run Chinook salmon

Nov. 2, 2021

**GOLD RIVER, Calif.** - The Bureau of Reclamation and California Department of Fish and Wildlife today celebrated the completion of the new Nimbus Hatchery Fish Passage Project with a ribbon-cutting event. The completed project, over a decade in the making, creates a more reliable and safer system for collecting adult fall-run Chinook salmon and Central Valley steelhead trout at the Nimbus Hatchery.
