Subject: Central Valley Project (CVP) Cost Allocation Study (CAS)

Dear Mr. Toenyas:

We appreciate your interest in the CVP CAS effort. The Bureau of Reclamation is incorporating comments and concerns into the process of developing the assumptions needed to complete the CAS. Proposed assumptions will be shared at future public meetings for your review and comment. In addition, we will continue to post all comment letters on the website at <http://www.usbr.gov/mp/cvp/cvp-cas/>. Ultimately, we intend to respond to each comment in a formal document to complete our decision-making record.

Thank you again for taking the time to provide feedback to Reclamation on this important project. We look forward to your continued involvement as we move forward with this important effort.

If you have any further questions or comments, please contact Ms. Brooke Miller-Levy, CAS Project Manager, at 916-978-5296 or bmiller-levy@usbr.gov.

Sincerely,

Katherine A. Thompson
