20 up to 20,000 acre-feet of water annually from the Tehama-Colusa Canal to the County; and

21 [3rd] WHEREAS, Article 39 of the Master Contract states:

22 “The Contractor [the County] may enter into subcontracts with Member Units for the
23 resale and distribution of water furnished pursuant to this Contract within the Contractor’s
24 Service Area. Each such Member Unit subcontract shall be subject to the obligations and
25 limitations imposed, and to the rights granted, by this Contract and shall so provide. The terms
26 and conditions of each Member Unit’s subcontract shall be approved by the Contracting Officer
27 prior to the execution of such Member Unit subcontract, which approval shall be limited to a
28 determination that the subcontract is consistent with the provisions of this Contract. Nothing
29 herein or therein contained shall be deemed in any way to release the Contractor from its primary
30 liability to the United States hereunder with respect to each and all of the obligations undertaken
31 by the Contractor in this Contract.”; and

32 [4th] WHEREAS, the Member Unit is a public agency within the County’s service area
33 organized for the purpose of obtaining a water supply from the Tehama-Colusa Canal and is
34 eligible to enter into a subcontract within the meaning of Article 39 of the Master Contract; and

35 [5th] WHEREAS, the Member Unit and the County have previously entered into and

40 thereto; and

41 [6th] WHEREAS, there is a present and potential need for water in the amount of 2,450
42 acre-feet annually for irrigation and/or municipal and industrial purposes with the boundaries of

43 the Member Unit, and that such a water supply to meet these present and potential needs can be
44 made available by and through the works constructed by the United States; and

45 [7th] WHEREAS, upon motion duly made and seconded, the Board of Supervisors of

HOLTHOUSE WATER DISTRICT
RESOLUTION NO. 2005B 01

RESOLUTION APPROVING SUBCONTRACT UNDER THE LONG-TERM
RENEWAL CONTRACT BETWEEN THE UNITED STATES
AND THE COUNTY OF COLUSA

AS A BASIS AND PREMISE for this Resolution, the Board of Directors of the HOLTHOUSE WATER DISTRICT (ADistrict@) finds and states as follows:

1. On November 18, 1975 the County of Colusa (ACounty@) and the United States of America entered into a contract providing for water service, designated Contract No. 14-06-200-8310A (AOriginal Contract@).
2. Water service to the District, as a AMember Unit@ under the Original Contract was originally approved by the County on September 25, 1979, and has continued uninterrupted since then.
3. The Original Contract expired on February 28, 1995.
4. In advance of the expiration of the Original Contract, the County and the United States negotiated an Interim Renewal Contract (AIRC@), in accordance with the Central Valley Project Improvement Act, pending completion of a Programmatic Environmental Impact Statement (APEIS@). The interim renewal applied to all the subcontracts, as well.
5. Upon completion of the PEIS, the United States announced its intent to negotiate a long-term renewal of the Original Contract.

6. The County and the United States engaged in a series of negotiations commencing in 1999 and completed in 2004. A copy of the proposed Long-Term Renewal Contract, designated Contract No. 14-06-200-8310-A-LTR1 is on file with the Colusa County Board of Supervisors and this Board has reviewed it.

7. The Renewal Contract reflects the results of the negotiations and contains the terms and conditions that the County and the United States have tentatively agreed upon.

8. As set forth in the Renewal Contract, the County and the United States entered into subcontracts for the resale and distribution of all of the Project Water with the Member Units, including one for this District. The District's subcontract was renewed at the same time as, and in accordance with, the first and all subsequent Interim Renewal Contracts. The District has fully complied with the terms and conditions of its subcontract.

9. In addition to and concurrent with the negotiations between the County and the United States, the District and the United States negotiated a form of renewal subcontract (ARenewal Subcontract@), the form of which is attached hereto as Exhibit AA@. The Renewal Subcontract is consistent with both the form and substance of the District's original subcontract, and with the Renewal Contract.

10. The United States has published the proposed contract for a 60-day public review, completed analysis of renewal of the contract under the National Environmental Policy Act and completed consultations with other federal agencies under the federal Endangered Species Act.

11. The Board of Supervisors of the County of Colusa has been presented with the Renewal Contract, and Board of Supervisors has approved that form and the form of Renewal Subcontract.

12. It is in the best interests of the District that its subcontract with the County of Colusa be renewed and that it execute the Renewal Subcontract.

NOW, THEREFORE, be it RESOLVED, ADJUDGED and ORDAINED that:

1. The Board of Directors of the HOLTHOUSE WATER DISTRICT approves the *Subcontract between the County of Colusa and the Holthouse Water District Providing for Resale of Water Under Contract Between the United States of America and the County of Colusa*, Contract No.1-07-20-W0224-R-1, attached hereto as Exhibit AA@.

2. The President of the Board of Directors or any other District official is authorized to execute that Renewal Subcontract, without further action by this Board.

3. The Secretary shall forthwith prepare and transmit a certified copy of this Resolution to Reclamation.

4. The President of the Board and other District officials and consultants are authorized and directed to do all things necessary and appropriate to carry out this Resolution and to ensure continued and uninterrupted water service to the District under the County's water service contract.

PASSED AND ADOPTED at a special meeting on February 18, 2005.
