14           WITNESSETH, that:

15                                   EXPLANATORY RECITALS

16           [1<sup>st</sup>]   WHEREAS, on March 1, 2005, in pursuance generally of the Act of June 17,  
17   1902 (32 Stat. 388), and Acts amendatory thereof or supplementary thereto, the United States of  
18   America and the County of Colusa entered into Contract No. 14-06-200-8310A-LTR1 providing  
19   for water service, hereinafter referred to as Master Contract; and

20           [2<sup>nd</sup>]   WHEREAS, pursuant to said Master Contract, the United States agreed to furnish  
21   up to 20,000 acre-feet of water annually from the Tehama-Colusa Canal to the County; and

22           [3<sup>rd</sup>]   WHEREAS, Article 39 of the Master Contract states:

23           “The Contractor [the County] may enter into subcontracts with Member Units for the  
24   resale and distribution of water furnished pursuant to this Contract within the Contractor's

25 Service Area. Each such Member Unit subcontract shall be subject to the obligations and  
26 limitations imposed, and to the rights granted, by this Contract and shall so provide. The terms  
27 and conditions of each Member Unit's subcontract shall be approved by the Contracting Officer  
28 prior to the execution of such Member Unit subcontract, which approval shall be limited to a  
29 determination that the subcontract is consistent with the provisions of this Contract. Nothing  
30 herein or therein contained shall be deemed in any way to release the Contractor from its primary  
31 liability to the United States hereunder with respect to each and all of the obligations undertaken  
32 by the Contractor in this Contract.”; and

33 [4<sup>th</sup>] WHEREAS, the Member Unit is a mutual water company within the County's  
34 service area organized for the purpose of obtaining a water supply from the Tehama-Colusa  
35 Canal and is eligible to enter into a subcontract within the meaning of Article 39 of the Master  
36 Contract; and

37 [5<sup>th</sup>] WHEREAS, the Member Unit and the County have previously entered into and  
38 performed under subcontracts between them for the resale and delivery by the County to  
39 Member Unit of up to 255 acre-feet annually of Central Valley Project Water that the County  
40 had rights to receive under its prior Master Contract with the United States (Contract  
41 No. 14-06-200-8310A), dated November 18, 1975, and the interim renewal contracts related  
42 thereto; and

43 [6<sup>th</sup>] WHEREAS, there is a present and potential need for water in the amount of 255  
44 acre-feet annually for irrigation and/or municipal and industrial purposes within the boundaries of  
45 the Member Unit, and that such a water supply to meet these present and potential needs can be  
46 made available by and through the works constructed by the United States; and

47 [7<sup>th</sup>] WHEREAS, upon motion duly made and seconded, the Board of Supervisors of  
48 the County voted unanimously, at a regular meeting thereof on January 15, 1980, to approve the  
49 resale to the Member Unit by subcontract of 255 acre-feet of the County's annual entitlement of  
50 20,000 acre-feet of water pursuant to the Master Contract, subject to the prior approval of the  
51 Contracting Officer as defined in the Master Contract; and

52 [8<sup>th</sup>] WHEREAS, said Contracting Officer has given advance consent to and approval  
53 of the form, terms, and conditions of the Subcontract between the County and the Member Unit.

54 NOW, THEREFORE, in consideration of the mutual and dependent covenants herein  
55 contained, it is hereby mutually agreed by the parties hereto as follows:

56 INCORPORATION OF TERMS OF MASTER CONTRACT

57 1. This Subcontract is entered into pursuant to Article 39 of the Master Contract and  
58 subject to the terms, conditions, obligations, and limitations imposed by the Master Contract

69 Member Unit's facilities through an existing irrigation outlet.

70           ASSUMPTION OF ADMINISTRATIVE RESPONSIBILITIES BY MEMBER UNIT

71           4.       The Member Unit, rather than the County, shall perform the following  
72 administrative responsibilities with respect to the resale of water pursuant to this Subcontract:

73                   (a)       The Member Unit shall submit water use schedules to the United States in

92 GENERAL OBLIGATION OF THE COUNTY

93 7. Nothing herein contained shall be deemed in any way to release the County from

95 all of the obligations undertaken by the County in said Master Contract.

96 GENERAL OBLIGATION OF THE MEMBER UNIT

97 8. (a) The Member Unit as a whole is obligated to pay the charges becoming due

99 Member Unit by individual water users of assessments, tolls, or other charges levied by the  
100 Member Unit. The lands which may be charged with any taxes or assessments under this  
101 Subcontract are hereby designated as all the lands within the service area of the Member Unit.

102 (b) The Member Unit will cause to be levied and collected all necessary  
103 assessments, standby charges, or water tolls, and will use all of the authority and resources of the

141 AMENDMENTS OF MASTER CONTRACT

142 14. The County and the Member Unit agree that neither party will take any action,  
143 without the prior written consent of the other party, which would result in an amendment to the

MYERS-MARSH MUTUAL WATER COMPANY

RESOLUTION NO. 2005- 01

RESOLUTION APPROVING SUBCONTRACT UNDER THE LONG-TERM  
RENEWAL CONTRACT BETWEEN THE UNITED STATES  
AND THE COUNTY OF COLUSA

---

AS A BASIS AND PREMISE for this Resolution, the Board of Directors of the MYERS-MARSH MUTUAL WATER COMPANY ("Company") finds and states as follows:

1. On November 18, 1975 the County of Colusa ("County") and the United States of America entered into a contract providing for water service, designated Contract No. 14-06-200-8310A ("Original Contract").
2. Water service to the Company, as a "Member Unit" under the Original Contract was originally approved by the County on January 15, 1980, and has continued uninterrupted since then.
3. The Original Contract expired on February 28, 1995.
4. In advance of the expiration of the Original Contract, the County and the United States negotiated an Interim Renewal Contract ("IRC"), in accordance with the Central Valley Project Improvement Act, pending completion of a Programmatic Environmental Impact Statement ("PEIS"). The interim renewal applied to all the subcontracts, as well.
5. Upon completion of the PEIS, the United States announced its intent to negotiate a long-term renewal of the Original Contract.
6. The County and the United States engaged in a series of negotiations

commencing in 1999 and completed in 2004. A copy of the proposed Long-Term Renewal Contract, designated Contract No. 14-06-200-8310-A-LTR1 is on file with the Colusa County Board of Supervisors and this Board has reviewed it.

7. The Renewal Contract reflects the results of the negotiations and contains the terms and conditions that the County and the United States have tentatively agreed upon.

8. As set forth in the Renewal Contract, the County and the United States entered into subcontracts for the resale and distribution of all of the Project Water with the Member Units, including one for this Company. The Company's subcontract was renewed at the same time as, and in accordance with, the first and all subsequent Interim Renewal Contracts. The Company has fully complied with the terms and conditions of its subcontract.

9. In addition to and concurrent with the negotiations between the County and the United States, the Company and the United States negotiated a form of renewal subcontract ("Renewal Subcontract"), the form of which is attached hereto as Exhibit "A". The Renewal Subcontract is consistent with both the form and substance of the Company's original subcontract, and with the Renewal Contract.

10. The United States has published the proposed contract for a 60-day public review, completed analysis of renewal of the contract under the National Environmental Policy Act and completed consultations with other federal agencies under the federal Endangered Species Act.

11. The Board of Supervisors of the County of Colusa has been presented with the Renewal Contract, and Board of Supervisors has approved that form and the form of Renewal Subcontract.

12. It is in the best interests of the Company that its subcontract with the

County of Colusa be renewed and that it execute the Renewal Subcontract.

NOW, THEREFORE, be it RESOLVED, ADJUDGED and ORDAINED that:

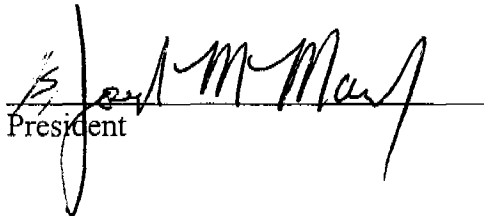

1. The Board of Directors of the MYERS-MARSH MUTUAL WATER COMPANY approves the *Subcontract between the County of Colusa and the Myers-Marsh Mutual Water Company Providing for Resale of Water Under Contract Between the United States of America and the County of Colusa*, Contract No.1-07-20-W0225-R1, attached hereto as Exhibit "A".

2. The President of the Board of Directors or any other Company official is authorized to execute that Renewal Subcontract, without further action by this Board.

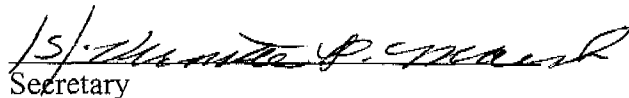

3. The Secretary shall forthwith prepare and transmit a certified copy of this Resolution to Reclamation.

4. The President of the Board and other Company officials and consultants are authorized and directed to do all things necessary and appropriate to carry out this Resolution and to ensure continued and uninterrupted water service to the Company under the County's water service contract.

PASSED AND ADOPTED at a special meeting on February 18, 2005.
