Board of Directors  
Glenn-Colusa Irrigation District  
Post Office Box 150  
Willows, California

Gentlemen:

During our Sacramento River contract negotiations you called our attention to the existing contract of June 2, 1953, as supplemented July 16, 1954, among the Glenn-Colusa, Compton-Delevan, Provident, Princeton-Codora-Glenn, and Jacinto Irrigation Districts. This contract, among other things, contains agreements covering the diversion of water by five districts from the Colusa Basin Drain. This letter will confirm our statements to you that it is not our intention that our Sacramento River contract with you, nor your obligations thereunder, will affect performances under the existing contracts among the Districts mentioned above.

By this letter I hereby agree, upon execution of the Sacramento River contract, to a continuation of the existing arrangement among the parties to the contract of June 2, 1953, as supplemented on July 16, 1954, insofar as it relates to the use of water from the Colusa Basin Drain.

Sincerely yours,

*C. F. Sullivan*
