Subject: Fiscal Year 2002 Central Valley Project Results of Operations Surplus –  
Municipal and Industrial (M&I) Contractors

Dear Water Contractor:

We have completed the fiscal year 2002 accounting for M&I operations, which includes a breakdown of results by individual contractor and service area. Included in the accounting are the results of our analysis of the interest impact of the adjustment for the Provision for Replacement (PFR) expenses. As you know, the PFR principal was already included as a part of the Chief Financial Office audit in the fiscal year 2001 accounting.

The net results of operations applicable to your contract(s) for fiscal year 2002 is an operation and maintenance surplus in the amount of \$ «Amount». This includes qualified voluntary payment(s) made during fiscal year 2002, if any.

The accumulated results through fiscal year 2001 are currently being updated to include the fiscal year 2002 results of operations. We anticipate providing you with a statement of your accumulated results as of September 30, 2002, in October 2003.

If you have any questions regarding this letter, please contact Ms. Masako Altman at 916-978-5365, Ms. Tasia Papajohn at 916-978-5367 or either person at TDD 916-978-5608.

Sincerely,
