Subject: Fiscal Year 2004 Central Valley Project Results of Operations Voluntary Payment Program – Irrigation Water Contractors

Dear Water Contractor:

We have completed the fiscal year 2004 accounting for irrigation operations, which includes a breakdown of results by individual water contractor and service area. The net results of operations applicable to your contract(s) for fiscal year 2004 is an operation and maintenance (O&M) deficit in the amount of \$«Amount», including voluntary payment(s), if any, for the fiscal year 2004 net results of operations. During fiscal year 2004 you made sufficient water payment(s) under your contract(s) to be eligible for the irrigation Voluntary Payment Program. **To voluntarily pay this deficit amount and avoid accruing interest charges on the O&M deficit, your payment must be received by the Bureau of Reclamation no later than 30 days from the date of this notification letter.**

The accumulated results through fiscal year 2003 are currently being updated to include the fiscal year 2004 results of operations. This process includes computing interest on fiscal year 2004 and earlier interest bearing deficits, as applicable. We anticipate providing you with your fiscal year 2004 statement in October 2005.

If you wish to pay the fiscal year 2004 deficit amount, and you are paying by check, please send payment to: Bureau of Reclamation, Mid-Pacific Region, P.O. Box 894242, Los Angeles, CA, 90189-4242, with a note explaining that it is a voluntary payment for your fiscal year 2004 O&M deficit. If you are paying by electronic fund transfer, please send payment to: Treasury, New York, ABA: 021030004, ALC: 14060905.
