To: Central Valley Project Water Contractors

Subject: Charges for the Central Valley Project (CVP) Restoration Fund, Central Valley Improvement Act (CVPIA), Public Law 102-575

Dear Water Contractor:

This letter provides notification of the CVP Restoration Fund charge/surcharge amounts for Fiscal Year 2025 (FY 2025) beginning October 1, 2024, through September 30, 2025. The FY 2025 amounts for mitigation and restoration charges, Friant surcharges, and Municipal and Industrial (M&I) surcharges are detailed here.

- The mitigation and restoration charges for FY 2025 are \$13.33 and \$26.67 per acre-foot of sold and delivered CVP agricultural and M&I water, respectively. Mitigation and restoration charges are assessed on all sold agricultural and M&I water delivered to the contractor or any approved transferee(s) receiving CVP water pursuant to the contractor's entitlement. The requirement to pay mitigation and restoration charges is the sole responsibility of the water contractor and may not be delegated to a transferee.
- The Friant Surcharge paid by Friant Division water contractors on delivered CVP water will remain at \$7.00 per acre-foot.
  - (The reduction prescribed in the San Joaquin River Restoration Settlement Act will be a \$3.00 per acre-foot reduction to the Operations and Maintenance (O&M) rate paid by Friant Division water contractors).
- The M&I surcharge will be \$55.56 per acre-foot for CVP water delivered to water contractors that are subject to this charge.

These charges are payable to the Bureau of Reclamation before the end of the month following the month of delivery and must be consistent with the quantities of agricultural and M&I water deliveries as shown in Reclamation's monthly water statement. Past due payments will be assessed delinquent charges according to the Debt Collection Act of 1982.

Questions about CVP Restoration Fund charges/surcharges should be directed to Mr. Calvin Bryant at cbryant@usbr.gov, by telephone 916-978-5440, or for TTY access call the Federal Relay Service at 800-877-8339.
