

## C.A.S.T. Event Held September 12 at Lake Berryessa

On Saturday, Sept. 12, 2015, a C.A.S.T. for Kids (Catch a Special Thrill) fishing event was held at Lake Berryessa's Pleasure Cove Marina.

Bureau of Reclamation Park Rangers, in partnership with Pleasure Cove staff, hosted 17 underprivileged/special needs youth, ages 5 to 16 years. The kids were partnered with expert anglers for a morning of fishing from boats on beautiful Lake Berryessa. A BBQ lunch was then served.

A big "thank you!" to the staff at Lake Berryessa and Pleasure Cove as well as the boaters, anglers and volunteers for participating in this successful event!
