

Chapter 9

Revisions to Chapter 9, “References”

Chapter 9 presents only the references that are cited in this document (the Draft SEIS/REIR). Chapter 9 is being revised in response to public comments received on the Draft EIS/EIR. The complete revised chapter will be presented in the Final EIS/EIR.

Personal Communications

- Berry, Mike. Senior Fishery Biologist. California Department of Fish and Game, Redding, CA. August 19, 2004—email to Kim Marcotte of Jones & Stokes regarding the stocking agreement for Oasis Springs Lodge.
- Cox, Bill. Fish Pathologist. California Department of Fish and Game. June 3, 2004—email to Harry Rectenwald of the California Department of Fish and Game regarding California Department of Fish and Game’s limited ability to enforce trout farming regulations.
- Cox, Bill. Fish Pathologist. California Department of Fish and Game. July 9, 2004—conference call with representatives from the California Department of Fish and Game, State Water Resources Control Board, and Jones & Stokes regarding Battle Creek Restoration Project impacts on Mount Lassen Trout Farm’s Jeffcoat East, Jeffcoat West, and Willow Springs facilities.
- Cox, Bill. Fish Pathologist. California Department of Fish and Game. February 17, 2005—conversation with Harry Rectenwald of the California Department of Fish and Game regarding the susceptibility of brown trout to anadromous fish diseases.
- Hamelberg, Scott. Fishery Biologist. U.S. Fish and Wildlife Service Coleman National Fish Hatchery. July 2, 2004—email to Steve Turek of the California Department of Fish and Game.
- Livingston, Randal. Lead Director of Power Generation. Pacific Gas and Electric Company. April 6, 2004—letter to Ryan Broddrick of the California Department of Fish and Game, Michael Aceituno of the National Marine Fisheries Service, Kirk Rodgers of the Bureau of Reclamation, and Wayne White of the U.S. Fish and Wildlife Service.

- Lubben, Sally. Senior Business Planner. Pacific Gas & Electric Company. August 11, 2004—email to Colleen Lingappaiah of Jones & Stokes presenting updated Battle Creek Salmon Restoration Cost Summary; the cost summary is an update of the cost summary that PG&E presented at the California Bay-Delta Public Advisory Committee, Ecosystem Restoration Subcommittee Meeting on January 15, 2004, to reflect the most recent costs presented in the Bureau of Reclamation's cost proposal presented to the California Bay-Delta Authority in May 2004.
- Lucas, Larry. Board Secretary. Battle Creek Watershed Conservancy. April 5, 2004—letter to Mary Marshall of the U.S. Department of the Interior, Bureau of Reclamation, regarding the Battle Creek Restoration Project 8 Dam Removal, Alternative B.
- Niemela, Kevin. U.S. Fish and Wildlife Service. August 4, 2004—conversation with Tricia Parker, U.S. Fish and Wildlife Service.
- Norlander, Laura. Director. California Hydropower Reform Coalition. September 7, 2004—letter to Mary Marshall of the Bureau of Reclamation regarding CHRC comments received on Chapter 3 of the Administrative Draft Supplemental EIS/Revised EIR.
- Overton, Pat. Senior Hatchery Supervisor. California Department of Fish and Game. February 14, 2005—conversation with Harry Rectenwald of the California Department of Fish and Game regarding estimated size of an aquaculture facility to contain the number of raceways, water supply pipelines, discharge pipelines, and settling ponds for effluent treatment estimated for potential production at Willow Springs.
- Pert, Ed. Fisheries Programs Branch Chief. California Department of Fish and Game. February 4, 2003—letter to Carl Werder of the U.S. Department of Interior, Bureau of Reclamation.
- Rectenwald, Harry. Environmental Scientist. California Department of Fish and Game. June 18, 2004—memorandum to Erin Vandehey of Jones & Stokes.
- Remy, Michael; Thomas, Tina; and Moose James. Attorneys at Law. October 14, 2003—letter on behalf of Mount Lassen Trout Farms to Mary Marshall of the Bureau of Reclamation and Jim Canaday of the State Water Resources Control Board.
- Tecklin, J. Environmental Scientist. University of CA, Sierra Foothill Research and Extension Center, Browns Valley, CA. May 2003—Telephone conversation.

White, Wayne S., Field Supervisor, U.S. Fish and Wildlife Service; Lowell F. Ploss, Deputy Regional Director, U.S. Bureau of Reclamation; Donald B. Koch, Regional Manager, California Department of Fish and Game; and Michael Aceituno, Sacramento Area Office Supervisor, National Marine Fisheries Service. September 20, 2001—letter from the Four Agencies to Leland Davis, President of the Battle Creek Watershed Conservancy regarding a problem solving approach to address concerns voiced by the local community.
