Subject: RE: EA-08-081 James ID Water Banking Expansion Project

Rain,

I reviewed the proposed action to award a \$300,000 WaterSMART: Water and Energy Efficiency Grant and a \$300,000 Water 2025 Implementation Challenge Grant to partially fund James Irrigation District's Project which includes the modification and expansion of an existing regulation/recharge/banking area within the James Bypass.

The Proposed Action includes excavation of two existing basins, construction of new levees with associated canals and turnouts, enhancement of existing levees, installation of booster pumps, installation of control structures, installation of interconnecting pipelines, installation of siphons to cross underneath the James Bypass Main Channel, installation of up to five new wells with associated pipelines, modifications to the existing E Booster check structure, construction of an earthen water control structure, and various appurtenances.

The proposed action does not have a potential to affect Indian Trust Assets. The proposed action does not have a potential to affect Indian Trust Assets. The nearest ITA is Santa Rosa Rancheria approximately 30 miles se of the project location.

Patricia
