

# Chapter 4 Responses to Comments

## Introduction

This chapter provides responses to individual public comments (Table 4-1) made on the RDEIR/SDEIS and a list of references cited in the responses to individual public comments. Table 4-2 provides responses to primary forms and petitions. Reclamation's responses to comments on the 2017 Draft EIS are provided in Appendix 4A, *Reclamation Responses to 2017 Draft EIS Comments*.
