

## UPPER SAN JOAQUIN RIVER BASIN STORAGE INVESTIGATION

### Geologic Drilling & Aggregate Sampling Program **PUBLIC MEETING AND OPEN HOUSE**

Tuesday - June 13, 2006 6 p.m. - 8 p.m.

**Piccadilly Inn West Shaw Hotel  
2305 West Shaw, Regency Rooms A & D  
Fresno CA**

The Bureau of Reclamation is currently conducting the Upper San Joaquin River Storage Investigation and will perform geologic drilling and aggregate sampling as part of the ongoing studies related to the investigation. Reclamation will hold a public meeting and open house to discuss the program's schedule and activities.

Why conduct geologic drilling and aggregate sampling? Reclamation is conducting this program to obtain more detailed information to help determine potential dam engineering requirements. Additional information about the program will be available at the public meeting.
