B.F. SISK DAM CORRECTIVE ACTION PROJECT

The U.S. Bureau of Reclamation (Reclamation) and the California Department of Water Resources (DWR) are hosting an open house and public scoping meeting for the B.F. Sisk Dam Corrective Action Project. This meeting will allow the public to learn about the project and provide input on the environmental impact statement/environmental impact report (EIS/EIR). The purpose of the project is to improve public safety by modifying B.F. Sisk Dam (also known as San Luis Dam). All interested parties are encouraged to attend.

To ensure that your input is considered in the EIS/EIR, please provide your comments by Tuesday, October 6, 2009. In addition to the public meeting, you may also provide comments by postal service, e-mail, or fax to Patti Clinton, Bureau of Reclamation, as indicated below.
