Reclamation announces negotiations with Central Valley Project contractors

FRESNO, Calif. - The Bureau of Reclamation, as directed by the Water Infrastructure Improvements for the Nation Act, Public Law No: 114-322 (WIIN Act), announces public negotiation sessions with CVP contractors for the conversion of water service and existing repayment contracts for prepayment of construction costs. The dates and time of the negotiations are as follows:

South-Central California Area Office

October 22 & 23, 2019 at 9:30 a.m.
1243 "N" Street
Fresno, CA 93721

WIIN Act information is available at <https://www.usbr.gov/mp/wiin-act/>. For additional information or assistance, contact Erma Leal at 559-262-0350 (TTY 800-877-8339).

###

Reclamation is the largest wholesale water supplier and the second largest producer of hydroelectric power in the United States, with operations and facilities in the 17 Western States. Its facilities also provide substantial flood control, recreation, and fish and wildlife benefits. Visit our website at <http://www.usbr.gov>.
