Dear Mr. Chairman:

We are submitting to your Committee a copy of the Fiscal Year 2008 Self-Governance Annual Funding Agreement (AFA) negotiated between the Bureau of Reclamation and the Chippewa-Cree Tribe of the Rocky Boys Reservation, pursuant to the authority granted by the Tribal Self-Governance Act of 1994 (Title II of Public Law 103-413, as amended).

The AFA will fund functions and activities associated with the Rocky Boys/North Central Montana Regional Water System. The AFA is for \$5,000 and includes the workplan and budget.

Pursuant to Section 403(f) of the Tribal Self-Governance Act, the AFA will become effective 90 days after its submittal for review to certain Congressional Committees.

We look forward to the successful completion of this project. If we can be of any assistance or if you have questions, please contact Mr. Richard Ives, Director, Native American and International Affairs Office at 202-513-0553.

Sincerely,
