DEFINITIONS

As used herein, an Irrigation Block is a body of land which is to be put under irrigation at substantially the same time.

As used herein, a Special Water Delivery Unit is a unit of land irrespective of ownership, classified exclusively for sprinkler irrigation and, with certain exceptions, served by a single turnout.

CERTIFICATE

I hereby certify that this plat of Irrigation Block 26, Columbia Basin Project, Washington is based upon an actual survey of the lands therein; that the distances and bearings for special water delivery unit boundaries are shown thereon correctly; and that sufficient corners and monuments have been set on the ground to permit an orderly resurvey if necessary.
