Hi all—

Attached is an agenda and below is the connection info for our webex/conference call for **tomorrow, Friday, December 16**. We are scheduled to start at **12:00 PT (1:00 MT)**. We have 2 hours allotted, but we can end early if we cover what we need.

I requested 14 ports, the maximum available, for our webex/call. Please share connections, if possible, with others in your office. Folks in Boise can join me at my office at 1150 N Curtis in Boise between the Idaho Statesman and St. Al's. Please drop me a note if you plan to join me.

I can turn the webex over to anyone who may have illustrations to share and discuss if the discussion heads that way. Damon- please let me know if you can run the interactive map. I can turn the webex over to you if the need comes up rather than run it myself.

Regards—
