

## Work Element &amp; Metric Combination

1	2	3	4
WorkElementID	WorkElementName	MetricTypeID	MetricTypeName
5	Land Purchase and/or Conservation Easement	1452	Amount of water secured in acre-feet/year
22	Maintain Vegetation	1734	# of acres maintained
29	Increase Instream Habitat Complexity and Stabilization	1387	# of miles of stream with improved complexity
29	Increase Instream Habitat Complexity and Stabilization	1388	# of structures installed
29	Increase Instream Habitat Complexity and Stabilization	1547	# of miles of stream treated with spawning gravel
29	Increase Instream Habitat Complexity and Stabilization	1742	# of pools created
30	Realign, Connect, and/or Create Channel	1388	# of structures installed
30	Realign, Connect, and/or Create Channel	1473	# of acres of wetland affected by treatment
30	Realign, Connect, and/or Create Channel	1476	# of stream miles after treatment
30	Realign, Connect, and/or Create Channel	1477	# of stream miles before treatment
30	Realign, Connect, and/or Create Channel	1547	# of miles of stream treated with spawning gravel
31	Conduct Controlled Burn	1403	# of riparian acres treated
31	Conduct Controlled Burn	1404	# of upland acres treated
31	Conduct Controlled Burn	1405	# of wetland acres treated
33	Decommission Road/Relocate Road	1394	# of miles of road improved or decommissioned in a riparian area
33	Decommission Road/Relocate Road	1395	# of miles of road improved or decommissioned in an upland area
33	Decommission Road/Relocate Road	1482	# of miles of road or trail created/relocated in the riparian zone
33	Decommission Road/Relocate Road	1483	# of miles of road or trail created/relocated in the upland zone
33	Decommission Road/Relocate Road	1484	# of miles of new trail relocated in riparian area
33	Decommission Road/Relocate Road	1485	# of miles of new trail relocated in upland area
33	Decommission Road/Relocate Road	1486	# of miles of trail improved or decommissioned in a riparian area
33	Decommission Road/Relocate Road	1487	# of miles of trail improved or decommissioned in an upland area
34	Develop Alternative Water Source	1569	# of alternate water sources installed
36	Develop Terrestrial Habitat Features	1400	# of features developed
38	Improve Road	1615	# of miles of road or trail improved in a riparian area
38	Improve Road	1617	# of miles of road or trail improved in an upland area
40	Install Fence	1488	# of river miles treated
40	Install Fence	1758	# of acres of upland non-wetland habitat protected by fencing
40	Install Fence	1759	# of acres of upland wetland habitat protected by fencing
40	Install Fence	1760	# of acres of riparian non-wetland habitat protected by fencing
40	Install Fence	1761	# of acres of riparian wetland habitat protected by fencing
44	Enhance Nutrients Instream	1387	# of miles of stream with improved complexity
44	Enhance Nutrients Instream	1570	# of miles of stream treated with nutrients
47	Plant Vegetation	1403	# of riparian acres treated
47	Plant Vegetation	1404	# of upland acres treated
47	Plant Vegetation	1405	# of wetland acres treated
47	Plant Vegetation	1406	# of riparian miles treated
48	Practice No-till and Conservation Tillage Systems	1403	# of riparian acres treated
48	Practice No-till and Conservation Tillage Systems	1404	# of upland acres treated
52	Remove Mine Tailings	1403	# of riparian acres treated
52	Remove Mine Tailings	1404	# of upland acres treated
52	Remove Mine Tailings	1405	# of wetland acres treated
52	Remove Mine Tailings	1441	# of miles of habitat accessed to the next upstream barrier(s) or likely limit of habitable range
53	Remove Vegetation	1403	# of riparian acres treated
53	Remove Vegetation	1404	# of upland acres treated
53	Remove Vegetation	1405	# of wetland acres treated
53	Remove Vegetation	1406	# of riparian miles treated
55	Erosion and Sedimentation Control	1404	# of upland acres treated
55	Erosion and Sedimentation Control	1405	# of wetland acres treated
55	Erosion and Sedimentation Control	1638	# of acres of riparian habitat treated
69	Install Fish Screen	1436	Quantity of water protected by screening in acre-feet/year
82	Install Well	1439	# of miles of total stream reach improvement
84	Remove/Install Diversion	1441	# of miles of habitat accessed to the next upstream barrier(s) or likely limit of habitable range
84	Remove/Install Diversion	1480	# of screens addressed
85	Remove/Breach Fish Passage Barrier	1441	# of miles of habitat accessed to the next upstream barrier(s) or likely limit of habitable range
92	Lease Land	1379	# of riparian miles protected
92	Lease Land	1380	# of riparian acres protected
92	Lease Land	1445	# of upland acres protected
92	Lease Land	1446	# of wetland acres protected
92	Lease Land	1452	Amount of water secured in acre-feet/year
92	Lease Land	1724	# of miles of streambank protected
164	Acquire Water Instream	1439	# of miles of total stream reach improvement
164	Acquire Water Instream	1452	Amount of water secured in acre-feet/year
180	Enhance Floodplain/Remove, Modify, Breach Dike	1403	# of riparian acres treated
180	Enhance Floodplain/Remove, Modify, Breach Dike	1405	# of wetland acres treated
180	Enhance Floodplain/Remove, Modify, Breach Dike	1441	# of miles of habitat accessed to the next upstream barrier(s) or likely limit of habitable range
180	Enhance Floodplain/Remove, Modify, Breach Dike	1474	# of acres treated
181	Create, Restore, and/or Enhance Wetland	1403	# of riparian acres treated
181	Create, Restore, and/or Enhance Wetland	1404	# of upland acres treated
181	Create, Restore, and/or Enhance Wetland	1474	# of acres treated
181	Create, Restore, and/or Enhance Wetland	1690	# of acres of riparian habitat created

Work Element & Metric Combination

1	2	3	4
WorkElementID	WorkElementName	MetricTypeID	MetricTypeName
181	Create, Restore, and/or Enhance Wetland	1691	# of acres of riparian habitat restored/re-established
181	Create, Restore, and/or Enhance Wetland	1692	# of acres of riparian habitat rehabilitated/enhanced
181	Create, Restore, and/or Enhance Wetland	1699	# of acres of upland habitat created
181	Create, Restore, and/or Enhance Wetland	1700	# of acres of upland habitat restored/re-established
181	Create, Restore, and/or Enhance Wetland	1701	# of acres of upland habitat rehabilitated/enhanced
184	Install Fish Passage Structure	1441	# of miles of habitat accessed to the next upstream barrier(s) or likely limit of habitable range
186	Operate and Maintain Habitat/Passage/Structure	1731	# of miles of streambank protected by fence maintenance
186	Operate and Maintain Habitat/Passage/Structure	1733	# of acres protected by fence maintenance
190	Remove, Exclude and/or Relocate Animals	1767	# of beavers released
190	Remove, Exclude and/or Relocate Animals	1770	Targeted piscivorous animal
197	Maintain/Remove Vegetation	1406	# of riparian miles treated
197	Maintain/Remove Vegetation	1516	# of acres of upland wetland habitat treated
197	Maintain/Remove Vegetation	1518	# of acres of riparian wetland habitat treated
197	Maintain/Remove Vegetation	1734	# of acres maintained
197	Maintain/Remove Vegetation	1740	Conduct controlled burn
