### John W. Keys III Pump-Generating Plant Guided Tour

Public tours begin May 28, 2022. Tours are available on a first-come, first-served basis, at 10 a.m., 12 p.m., 2 p.m., and 3:30 p.m. PDT, running approximately one hour. Tour availability is limited and subject to change. Admission is free.

The tour begins at the tour parking lot on the east side of the dam where you will board a bus and be taken to the pump-generating plant. The tour concludes with a bus ride over top of the dam.

All tour participants are required to pass through a metal detector prior to beginning the tour. Weapons, purses, bags, backpacks, fanny packs, and packages are not permitted on the tour. Attendees may bring cameras on the tour, but all camera cases must remain in vehicles. Onsite storage for personal belongings is unavailable. Be sure to lock your belongings in your vehicle. For accessibility accommodations and to inquire about tour availability, call 509-633-9265. Tours are subject to change and can be canceled without notice.
