

# Cle Elum Pool Raise Project Quarterly Update

October 2020

Vegetation has been fully established on a new berm that will contain the 3 foot pool raise at the Cle Elum River Campground.

- Wish Poosh Campground and Boat Launch are officially closed to the public due to shoreline protection construction and will reopen in late May 2021.
- Salmon La Sac Road embankment construction has been delayed until 2021.
- A common question from the public about the Cle Elum Reservoir, is that it seems to drawdown faster than other nearby reservoirs. To find more information visit our new Frequently Asked Questions webpage:  
[www.usbr.gov/pn/programs/eis/cleelumraise/faq.html](http://www.usbr.gov/pn/programs/eis/cleelumraise/faq.html)
