Request to be placed on the mailing list and/or receive a copy of the Scoping Document:

- I would like to receive a copy of the Scoping Document.
- I want to receive email updates and information on the Environmental Impact Statement (EIS).
- I want my name included on the mailing list to receive information on the EIS.
- I want my name removed from the email list and/or mailing list (please check one or both).

Please note: Our practice is to make comments, including names, home addresses, home phone numbers and email addresses of respondents, available for public review. Individual respondents may request that we withhold their names and/or home addresses, etc., but if you wish us to consider withholding this information you must state this prominently at the beginning of your comments. In addition, you must present a rationale for withholding this information. This rationale must demonstrate that disclosure would constitute a clearly unwarranted invasion of privacy. Unsupported assertions will not meet this burden. In the absence of exceptional, documentable circumstances, this information will be released. We will always make submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public disclosure in their entirety.
