

Conconully Dam

Public Notice

Reclamation's Ephrata Field Office, in accordance with 43 CFR Part 423.12(a), is providing public notice that the access road to Conconully Dam and adjacent Reclamation lands along Conconully Road, will be closed to the public from Sept. 30, 2021 through Jan. 30, 2022 so crews can safely access the dam and stage equipment.

Reclamation is performing detailed investigations and analyses to evaluate the performance of Conconully Dam. This data will inform future construction modifications to reduce risk at the dam in the event of an earthquake.

For more information, please contact Columbia-Pacific Northwest Region Dam Safety Coordinator Chris Regilski, 208-378-5335.
