**To:** Interested Individuals, Organizations, and Agencies

**Subject:** Yakima River Basin Water Storage Feasibility Study, Kittitas, Yakima, and Benton Counties, Washington, Draft Planning Report and Environmental Impact Statement

Dear Ladies and Gentlemen:

Enclosed for your review and comment is the Draft Planning Report/Environmental Impact Statement (Draft PR/EIS) for the Yakima River Basin Water Storage Feasibility Study, prepared jointly by the Bureau of Reclamation and the State of Washington through the Department of Ecology. This Draft PR/EIS examines alternatives to create additional water for the Yakima River basin for the benefit of threatened and endangered fish, irrigated agriculture, and municipal water supply. A joint scoping process was held during January 2007.

Comments may be submitted orally, electronically, or by regular mail. Oral comments may be presented at one of four public hearings, each of which will be preceded by an open house. The open houses will be from 1 to 2 p.m. and 6 to 7 p.m. followed by hearings from 2 to 4 p.m. and 7 to 9 p.m. on the dates and locations listed below.

The public hearing facilities are physically accessible. Persons who need accessibility accommodations, including sign language interpreters or other auxiliary aids, may contact Mr. Kaumheimer. Requests should be made as early as possible to allow sufficient time to arrange for accommodation.

Requests to make oral comments at the public hearings may be made at each hearing. Comments will be recorded by a court reporter. Speakers will be called in the order of their requests. In the interest of available time, each speaker will be asked to limit oral comments to five minutes. Longer comments should be summarized at the public hearing and submitted in writing either at the public hearing or identified as hearing comments and sent to be received by Mr. Kaumheimer no later than March 31, 2008.

Those wishing to obtain a copy of the Draft EIS in the form of a printed document, or on compact disk (CD-ROM), or an Executive Summary of the Draft EIS may contact Mr. Kaumheimer at the address or phone number given above.

The Draft PR/EIS is available for viewing on the Internet at [http://www.usbr.gov/pn/programs/storage\\_study](http://www.usbr.gov/pn/programs/storage_study).

Sincerely,

Gerald Kelso
