Reclamation Manual

Directives and Standards

External Comment Disposition Matrix

Release Subject:
Subject Area Code:
Date:

External Commenter			Originating Office		
Commenter	Paragraph	Comment	Severity*	Disposition	Rationale

*Severity: Because external commenters do not identify the severity of their comments, the originating office will determine which external comments are deemed critical and not critical in consultation with the Reclamation Manual coordinator and regional/area office staff if the external commenter is a stakeholder of a specific organization (e.g., district).
