NOTES and FOOTNOTES:

Effective October 1, 2016, all tiered investigation naming conventions are in effect. Previous completed background investigations and background investigations opened before their respective naming convention transition dates will retain their original background investigation names (shown in parentheses).

If more than one position category in Tables 1-3 applies, the highest background investigation level shall be used.

Reclamation Manual

Directives and Standards

Abbreviations and tier level investigation designations used in Tables 1, 2, and 3.

ANACI	Access National Agency Check with Inquiries	NCS	Non-Critical Sensitive
SSBI	Single Scope Background Investigation	SCI	Sensitive Compartmented Information
BI	Background Investigation	Tier 1	Low Risk Non Sensitive Investigation
MBI	Minimum Background Investigation	Tier 2	Moderate Risk Public Trust Investigation
NCI	National Critical Infrastructure	Tier 3	Moderate Risk Non-Critical Sensitive Investigation
MMC	Major Mission Critical	Tier 4	High Risk Public Trust Investigation
PSI	Personal Subject Interview	Tier 5	High Risk Critical Sensitive Investigation
SS	Special Sensitive		
CS	Critical Sensitive		

¹ See Paragraph 6.H. of SLE 01-01 for waiver requirements.

² A waiver is required before an individual is placed into a critical-sensitive position or a law enforcement position, unless the required level of investigation has been completed and favorably adjudicated.

³ A waiver may be used to perform preliminary checks, but is not required prior to an individual being placed into a non-critical sensitive position unless it is a law enforcement position. *A person currently holding a Top Secret clearance may be placed directly into a position requiring a SCI without a waiver while awaiting adjudication of the SCI.
