To: Director, Program & Budget *[for recharacterization of activity with annual costs of \$1M or greater]*
Regional Director *[for recharacterization of activity with annual costs of less than \$1M and greater than or equal to \$250k]*
Financial Manager *[for recharacterization of activity with annual costs of less than \$250k]*

From: *Individual identifying requirement for Recharacterization*

Subject: Proposed Recharacterization of Reimbursability

The purpose of this memorandum is to request your concurrence with recharacterizing *[list activity or costs requiring recharacterization]* as non-reimbursable.

I have determined these activities are non-reimbursable based on *[provide a background of what led to this determination and what research has been conducted to support this determination]*. If approved, this memorandum will serve as the authority of record that costs associated with these activities are non-reimbursable *[Note: this does not apply if legislation is required for recharacterization.]*

Recharacterization will require the following actions *[List any actions to be taken (e.g., notify beneficiaries and other stakeholders, adjust cost share calculations, etc.)]*:

Documents attached include: *[Provide a list of documents used to support the proposed recharacterization]*
