

# RECLAMATION

*Managing Water in the West*

## **Steinaker Reservoir Normal Water Surface Elevation Increase Final Environmental Assessment and Finding of No Significant Impact PRO-EA-07-001**

**Central Utah Project – Vernal Unit  
Uintah County, Utah  
Upper Colorado Region  
Provo Area Office**

**U.S. Department of the Interior  
Bureau of Reclamation  
Provo Area Office  
Provo, Utah**

**September 2007**

## **Mission Statements**

The mission of the Department of the Interior is to protect and provide access to our Nation's natural and cultural heritage and honor our trust responsibilities to Indian Tribes and our commitments to island communities.

The mission of the Bureau of Reclamation is to manage, develop, and protect water and related resources in an environmentally and economically sound manner in the interest of the American public.
