From: Stephen V. Magnussen  
Chairman

Subject: Documents for Adaptive Management Work Group (AMWG) Meeting,  
January 15 and 16, 1998

The second AMWG meeting is scheduled for January 15 and 16, 1998. A block of rooms has been reserved under the **Bureau of Reclamation** for the nights of January 14 and 15 at the following hotel:

La Quinta Hotel  
2510 W. Greenway Rd.  
Phoenix, AZ.  
(602) 993-0800 or 1-800-531-5900

The meeting will be open to the public and has been noticed in the Federal Register. Attached is the final approved agenda. Due to FACA requirements on notice to the public, no additional items may be added.

In a memorandum dated November 21, 1997 I sent to you materials for the meeting and informed you additional materials would be forth coming by mid-December. Attached is a letter from the Chairman of the Technical Work Group (TWG), Mr. Robert Winfree, describing additional materials for your review and use at the meeting and suggested topics for the AMWG to direct further study by the TWG.

I believe the TWG has done a good job on the tasks that were assigned to them. The agenda is ambitious and I look forward to a productive meeting.
