Letter to the new Secretary's Designee

- Our tribes have long-established relationships with the canyon which involve intrinsic ceremonial processes to maintain its' health, balance, and wellbeing.
- Our ancestors have handed down to us precise instructions of how to co-exist and care for this canyon.
- The care and management of the Canyon is vital to our cultural sustenance.
- Canyon is vital to our cultural sustenance. One cannot survive without the other, we are inter-dependent.
- We all have a shared vested interest in working to maintain the ecological and cultural integrity of the canyon. To this end, we are excited to continue on this important work together.

Other Matters

- Monthly Federal Family-JTL calls
- Proposed Trout Stocking at Lee's Ferry
- Tribal Participation Funding

Integrated AMP River Trip 2019
