Approved by Consensus. 9:47am MST, 11/17

2. Spring Disturbance Flow Monitoring Proposal (“Project O”)

Proposed Motion: The AMWG recommends to the Secretary of the Interior GCMRC’s “Project O” proposal, as provided to the AMWG on November 13, 2020, for inclusion in the 2021-2023 Triennial Budget and Workplan, with the following areas of emphasis:

- Reclamation retains decision-making authority for the allocation of funds from the C.5 Experimental Management Fund.
- Requests to support Project O through the Experimental Management Fund should be considered in context with other requests from the Experimental Management Fund (i.e. including, but not limited to Projects A.4, B.6.1-5, and J.3) and vice versa.
- Consideration of funding for Project O elements should be in accordance with the recommendation developed by the BAHG on October 8, 2020.
- Elements O.1 and O.2 – Funding requests for Year 2 should come from TWP carryover funds from prior years or through annual review of the TWP or other Reclamation considerations.
- Element O.11 – Funding requests for Year 1 and Year 2 could come from TWP carryover funds from prior years or through annual review of the TWP or other Reclamation considerations.
- Opportunities to leverage external resources and support from Program partners will be considered and explored by GCMRC and Reclamation.
