

# **Incorporating PEP Reviews and Monitoring / Research Results into the Adaptive Management Program**

## **Proposed Process**

- 1 - PEP review and scientific reports distributed to ad hoc groups and TWG
- 2 - Ad hoc groups review and comment on reports
- 3 - GCMRC reviews reports and leads technical presentation to TWG
- 4 - TWG reviews ad hoc and GCMRC analyses and prepares recommendation to AMWG
- 5 - AMWG reviews other reports and recommendations and makes recommendation to the Secretary of the Interior, if appropriate
