

SEC. 105. USE OF FEDERAL FACILITIES.

- (a) The Secretary of the Interior and the Secretary of the Army shall each inventory all dams, impoundments, and other facilities under their jurisdiction.
- (b) Based on this inventory and other information, the Secretary of the Interior and Secretary of Army shall each submit a report to the Congress within six months from the date of enactment of this Act. Each report shall—
- (1) Describe, in detail, each facility that is capable, with or without modification, of producing additional hydroelectric power. For each such facility, the report shall state the full potential for the facility to generate hydroelectric power, whether the facility is currently generating hydroelectric power, and the costs to install, upgrade, modify, or take other actions to increase the hydroelectric generating capability of the facility. For each facility that currently has hydroelectric generating equipment, the report shall indicate the condition of such equipment, maintenance requirements, and schedule for any improvements as well as the purposes for which power is generated, and.
 - (2) Describe what actions are planned or underway to increase hydroelectric production from facilities under his jurisdiction and shall include any recommendations the Secretary deems advisable to increase such production, reduce costs, and improve efficiency at federal facilities, including, but not limited to, use of lease of power privilege and contracting with non- federal entities for operation and maintenance.

Senator Frank Murkowski, chairman of the Senate Energy and Natural Resources Committee, is circulating a draft energy supply bill that includes a title on improving hydroelectric output at existing facilities and developing nonfederal projects. Section 105 is attached for review and comment. The Democratic draft energy supply proposal does not have a similar provision.

REMINDER: There will be a PMA Task Force meeting on Monday, February 5, from 3 to 4:30 p.m. in the Regency Foyer room (ballroom level) at the Capitol Hill Hyatt Regency during the Legislative Workshop and Rally in Washington, D.C.
