

SCORE REPORT

“The State of Natural & Cultural Resources in the Colorado River Ecosystem”

- Table II-7
- MO's & IN's
- GCMRC's goals & objectives
re:SCORE

Do We Need a SCORE Report?

If yes, can it be more useful than it has been in the past? Timeliness, Content?

GCMRC SCORE Goals

- Provide information regarding key resources based on core monitoring and selected research activities
- Resource areas determined by II-7 and MO's and IN's
- Provide to TWG for review at winter meeting
- Provide to AMWG at summer meeting

Present SCORE (2001)

- Incomplete-lacks physical & cultural resource information (errors assumed)
- Draft to invite input and clarification of purposes and content
- Compare w/previous SCOREs
- Revise for August or Fall TWG mtg
