

ID	OUTCOME FROM TWG	Comments/Concerns
PA #6	Okay to defer	Mary B – this is probably wise to defer according to what Helen said about PEPs
Exp Flows #4	Defer until Jeff provides more information	Bill Davis – concerns with wanting the work done.
C3 Integ. Activities	Okay to defer	
E4 – Admin & gmt.	Deferring the recreation PEP Yes = 10 No = 5 Abstaining = 2	Okay to defer the socioeconomic PEP
F6, Tech Support Svcs.	Okay to defer	Jeff- Only if we can't get the sensor or permit
HBC #8	Okay to defer but they will attempt to do in 04 or early in 05 with assistance from BOR	Lisa – concerned about anything to do with HBC. Is there a way not to defer? Jeff – we will do as soon as possible in FY05. Randy P – it's not just GCMRC that needs the expertise to do RFP. We could have people in Denver develop the RFP and send to GCMRC for review.
HBC #15	Okay to defer	
HBC #17	Okay to defer
