	<p>walk on the two plans at the last AMWG meeting. They seem to be in sync and now it's up to DOI on whether it will be implemented. Sarah Rinkevich (tribal liaison with Loretta Jackson-Kelly) said she was tasked by Lori Caramanian to prepare a final document based on comments received from the tribes and get their approval before DOI signs off on it in early February.</p> <p>6/26/13: Sarah will be scheduling a conference call with the tribes for further discussion on the Plan.</p> <p>1/30/14: Sarah said the Plan was re-drafted at the request of Anne Castle and Lori Caramanian, and Lori is currently reviewing the draft. Sarah said minor changes were made to include a section on TEK, updates on policy, and the tribal liaison information.</p> <p>4/8/14: The draft plan is still being reviewed by Lori Caramanian.</p> <p>6/24/14: Loretta and Sarah will review the plan to ensure it includes updated policy and TEK concerns. However, it may go through one more review before sending to the Acting AS-WS for signature.</p> <p>4/21/15: The Tribes are doing a final review.</p>
