

Southern Paiute Monitoring Program

Charley Bulletts
Southern Paiute Consortium

Twenty Years of Monitoring

- Program Goals:
 1. Monitor
 2. Train and educate Southern Paiute monitors
 3. Educate tribal members and the general public
 4. Discuss and evaluate traditional cultural properties protection and management
- Additional goal in 2016: assess the SPC's 20-year-old program
 - How might the monitoring program be best adjusted to address current tribal needs and interests, resource availability, and changing adaptive management priorities?

2016 River Trip
