NEW ACTION ITEMS

- Explore a charge for the Tribal Ad Hoc Group.
- Modification from November 2023 Action Item. GCMRC will provide the LTEMP metrics report for review by TWG. Finalization of this report will be a significant information used in the LTEMP 10-year process.

OLD ACTION ITEMS – Still Open

- DECEMBER 2025 Consider using SCAHG and TWG to explore options for proactive planning.
- DECEMBER 2025 Explore whether the TWG needs to inform the AMWG on information needed for the Glen Canyon Dam Report to Congress.
- APRIL 2026 Re-engage the SBAHG to review and update the Nonnative Strategic Plan and also begin to evaluate new management actions for the short-, medium-, and long-term management actions. Additionally, if possible explore how risk tolerance may be incorporated in risk assessment or decision-making processes.
- APRIL 2026 Re-engage the SEAHG as part of an effort to evaluate current hydropower modeling and recommend a potential hydropower experiment, similar to the TAHG's charge.
