Agenda Item

Stakeholder Perspective: Federation of Flyfishers

Action Requested

✓ Information item only.

Presenter

John Jordan, AMWG Representative for Recreational Fishing

Previous Action Taken

N/A

Relevant Science

N/A

Background Information

This item gives AMWG members an opportunity to inform the full AMWG about the people they represent and their connections to the Colorado River. They also explain why they are interested in the AMP and what they hope to achieve through their participation.

John Jordan will present the recreational fishers' interests with regard to the Glen Canyon Dam Adaptive Management Program.
