

SEAHG PROGRAM

1

2013 SEAHG ACTIVITIES ON THE SOCIOECONOMIC IMPLEMENTATION PLAN

SEAHG
February, 2013

AMWG Winter Meeting
Phoenix, Arizona

Proposed 2013 SEAHG Charge

2

- **Work with TWG, AMWG, GCMRC and USDI Agencies to support the timely development of improved socioeconomic values for CRE resources.**
- **Identify information needs and research priorities not addressed through the LTEMP process so that GCMRC can refine and develop a work plan.**

2013 POTENTIAL AMP ACTIVITIES

3

- Evaluate potential non-market/non-use value studies of cultural resources
- Evaluate potential non-market/non-use value studies of hydro-power energy and water resources. Also could include water market values.
- Evaluate potential market value studies of sport fishing and boating
